High School Diplomas-Regular. . . .	16	* Certificates of Completion issued at a district level	
Other Completions*. . . . .	0	** Limited English Speaking (LEP)	

## Superintendent's Highlights

In Murtaugh School District, we understand that the citizen of the future will require an ever increasing level of educational competence to be successful. We share responsibility with parents, community, churches and students for the next educational or career stage.

We expect and encourage parents to be involved in their child's educational experience. We value our employees and the contributions they make to educate students.

We will anticipate and react to changes in our community as they affect the education of children. We are dedicated to providing our children with the latest technological and pedagogical advances.

## Progress Towards Meeting District Goals

### 1998-99 Goals

### Progress

The Murtaugh Middle/High School is progressing with its use of technology by its adoption of the Accelerated Reader program for the two schools and by its goal of having all students reading at the ninth grade level before graduation. Students writing skills are improving by the use of computers in their English writing programs.

In science, students are learning practical applications for technology in a class that analyzes soil samples in local agricultural fields. Local agricultural suppliers have been sponsored equipment and technical support for the project.

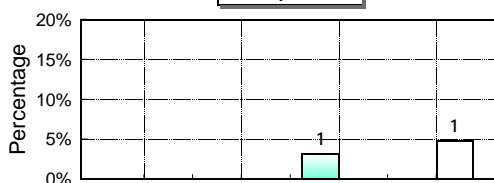

The goal for next year is to increase the use of specialized reading and writing programs at the schools and to have at least three fully equipped multimedia/projector setups for the schools and to increase availability of computers and their peripherals to the students and teachers.

## Student Profiles

### Ethnicity

Race	Male	Female	Total
White	33.69%	28.72%	62.41%
